Duke is a pure bred registered German shepherd pup. He is about 18 months old, house trained and comes with all of his food toys and leash. I wish we could keep him but we have a newborn and I just don't have the time for him anymore :(He knows how to sit, lay down, kennel, and here. He is very playful and also very docile. He is NOT neutered. He has a big bark but no bite. He is not violent in any way. But he looks scary and will make a great guard dog for any family! We are asking for a rehoming fee of 600 and that includes everything he has including his tick and flea drops. If you have any questions please feel free to text me! 913-237-374.
