

I Need Drone Footage and Your HD B Roll of Detroit (Detroit)

Location **Michigan**
<https://www.genclassifieds.com/x-629540-z>

I need someone who owns at least a phantom drone and go pro hero 3 or newer to shoot some footage for me this week for two hours around the city. No editing needed, just the footage. If you have footage of the city already, we may be able to work with it.

Email via.
