I am looking for faithful mechanic. I am a mason by trade and am willing to barter work or cash. I need someone honest and able. I have 99 Taurus and it needs breaks, speedometer work, a sensor on transmission I have been told. I really need someone I can trust that will help and not hurt me. I keep getting played. I am in hard times and really need help with my car.

Thank You so much for reading.
Michael

I also do indoor flooring: vinyl, ceramic, laminate, hardwood

I also do photography and graphic work, websites and product photography. I can do small weddings and any other events. Help with cheap Dj set ups so on.

If youre a mechanic and wanna help I'm sure there is something you need done I can do or help with....Great laborer as well on misc. jobs.

thanks again
