Want access to a cool house with a room of your own? I have two rooms available and am looking for a roommate for each room. We are moderately indulgent in that we are open to smokers, but outdoors only. We use vapor mods (e-cigs) indoors? We're respectful of quiet times when sleep is needed, but we also listen to music that is sometimes loud. At other times, jam sessions take place with drums and amplifiers. We occasionally drink alcohol, socially and in moderation.

The home has a large front covered porch and a wide driveway. The back yard is fenced so, dogs are acceptable, although small dogs are preferred. Cats are fine as well. In general, we are open minded in our approach to living and this translates into the same that is the creatives space within our home.

If this is acceptable to you, then consider our month to month room rental offer.
