I am listing this for a friend he has a house in kc mo it is located at 2917 poplar ave it has 1,050 square feet it was built in 1924 it is very close to the royals and chiefs stadiums. within 5 miles. it is a fixer but hes almost giving it away at \$10,000 obo also interested in patial trades for cars or trucks and all reasonable offers considered. he now lives in ks so you might want to go check out the house look around outside look through the windows before making an offer as he is on hard times and cant afford to drive up there for maybes he is very motivated to sell but only serious buyers wanted if you have contracting experience this may be a great house for you if you are looking to move in a house right away probly not the house for you.
