New Price! South KU campus location in the University Place neighborhood and just two blocks north of Lawrence High School. Nestled between two homes built by James Naismith while he was a faculty member at KU. This traditional-looking 3 bedroom, two bathroom home with basement was redesigned by a KU Associate Professor of Architecture. Once you step inside the door, you will marvel at the modern urban floor plan that was incorporated into this 1930's era home. Just 8 minutes to Allen Fieldhouse & Jayhawk Boulevard!

Located on a quiet dead end street, so drive-thru traffic is minimal. This neighborhood is characterized by mostly owner-occupied homes with friendly residents. 1704 Mississippi Street has a past history of selling quickly, so if you are looking for a campus property or just a weekend getaway, be sure to tour this home. Great for entertaining your basketball and football guests. MLS #136690. Shown by appointment only.
