

Looking for a naughty assistant

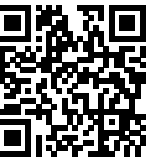

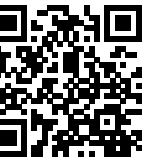

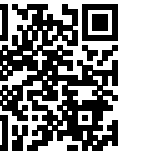

Location **California**

I'm an executive for an apparel company and looking for a new assistant. Someone that is sexy and fashion forward. Someone that can come with me to Magic and other fashion events. Dinner with clients and business trips. I need her to answer calls, data entry and other sexy things around the office. I'm a fan of skirts and heels. Love busty women and women with booty. A woman that can "release my stress". Starting pay starts at \$1295 a week plus bonuses.

I need to find someone ASAP!
