We have just reduced our weekly rate to \$850 for the limited few weeks remaining in August!! A great opportunity to come see northern Michigan and all it has to offer.

These cottages sleep 6 comfortably. This is an excellent opportunity for a family oriented vacation on beautiful Mullett Lake in Northern MI!

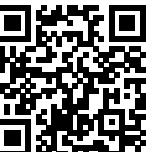

Our cottages are part of a ten cottage resort, a very quiet privately owned association. We have over 4 acres of beautifully manicured lawn directly on the northeast shore of Mullett Lake with over 200 ft. of frontage. There is plenty of room. We are on the 45 mile inland waterway at the north end of the lake. The beach and lake bottom is all sand, very safe with no drop offs. Great for kids but still deep enough to bring in larger boats. 100 ft. dock with boat moorings provided. There is electricity provided at the dock for you fishermen.

There is a play area for kids, fire pit with firewood, cedar lawn swings, picnic table, bar-b-que grill, paddle boat and a 14 ft. aluminum boat - everything you need for your vacation stay.

Pricing ranges from \$750 to \$1100 , depending upon the week. We offer discounts for additional weeks. We rent Saturday to Saturday in season, weekends or daily in the off season. Sorry - no pets allowed.
