

BBQ SMOKER (INSULATED amp AUTOMATED) (4000 USD)

Location Kansas
https://www.genclassifieds.com/x-629755-z

Another Mack Daddy Smokers innovation... Introducing the all new and completely upgraded "MD180I PITMASTER INSULATED"...

This new installment of an old workhorse boasts a dual set-up design allowing you to use either fuel source, Wood or Propane, and robust amount of Rack Space to include a 2 pan, full-sized Warming Box nestled beneath where the work gets done.

100% Ceramic Insulation

Automated Digital Temperature Control, set it and forget it

Stick Burner capable without the propane disconnected

Long life Cast Iron Propane Burner

Almost twice the available cooking space of the competitor's comparable overall sized Cooker, and at under half of the price! 34.5 S.F. Total

Improved efficiency and a totally reworked flow dynamic makes this Beast as easy to handle as one of our smaller Pit Viper Series by virtually anyone. Come check it out today!

Our new automated digital temperature control allows you to use wood, charcoal, or just plain propane. It makes this the most versatile Smoker on the Market. The price range is 1000 to 4000. We have Stainless Steel or Painted Steel. It's up to you. Call today and get the details. Our Viper Smokers are built with respect for the customer's place and the innovator's spirit. We are proud to be a part of the BBQ industry as a whole.

We are built to order and our prices are variable. Please call us today to discuss the details and options for all of your grilling needs.
