

# need harley wired (middletown)

Location

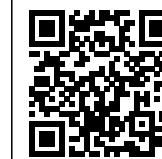

**Kentucky**<https://www.genclassifieds.com/x-629804-z>

just did a custom trike build with a 1983 iron head motor, need someone to do a chopper wire harness on it at my location, just want it to fire and run and charge, i will hide all the wires and all that , need this done cause i simply dont have time to do it , will pay well, again it a 83 sporty iron head motor , need bike wired to run and charge, if interested please text me or call me

need done asap have a expo show it need to be at on the 14th so please let me know soon,..

thanks

have all tools and wires.. and..
