need harley wired (middletown)

Location **Kentucky** https://www.genclassifieds.com/x-629804-z

just did a custom trike build with a 1983 iron head motor, need someone to do a chopper wire harness on it at my location, just want it to fire and run and charge, i will hide all the wires and all that, need this done cause i simply dont have time to do it, will pay well, again it a 83 sporty iron head motor, need bike wired to run and charge, if interested please text me or callme

need done asap have a expo show it need to be at on the 14th so please let me know soon,...

thanks

have all tools and wires.. and..
