Why get your house cleaned by ugly, unattractive, overweight and old maids when you can have it cleaned by a young, sexy, patrially clothed or nude woman in heels?

I can clean as detailed as you desire while you watch and we chat. Either you or I supply everything. I also wear themed costume/fetish outfits. My rate varries from 40-200\$ an hour depending on what I wear.

I am NOT a prostitute, there is no mutual masturbation. You are welcome to take pictures and videos using my memory card so long as I get copies of the material at the end of each session and you sign a release stating that I have original rights to the content.

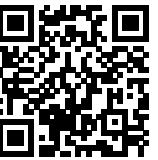

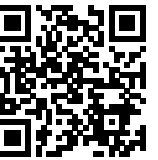

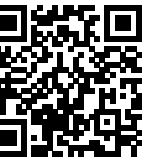

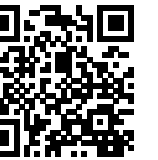

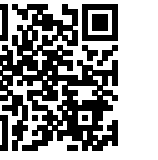

I cater to Warren County only. I can work day or night. Minor children can NOT be home. Security comes with me but does not interfere or interact with me at any point.

Cash only. Discounts for referrals. I am self employed not a company ran by a creepy pimp. I have over 100 outfits/panties for you to choose from.

I have experience in the adult entertainment business as well as house cleaning business so you will actually get a clean house from a professional entertainer.

If you just send an email asking for a pic you will be ignored.

Look forward to hearing from.
