

Loveland paint 70 scam

Location **Kentucky** https://www.genclassifieds.com/x-629806-z

Don't be scammed bye these fuck wads. I am a pro painter with top references and many years of painting. Yet I didn't show up in painter whites so they sent me on my way. After a 38mile drive. Don't wast your time this is why the add is still up. Fucking stuck up snobs and I hope they're fucking house don't.
