I am currently rehoming my tabby cat. He is a loving cat. But, I think he would be better off with a home with just adults. I think he would be fine with older kids also. He doesn't do well with my kids. I have a younger child that has a lot of energy. Other then that he is a great cat. And, he loves to eat! Lol. Message me if you are seriously interested. Asking a 15 re homing fee. Will taker lower. I just want to find him a good.
