We have a beautiful and big Female English Mastiff that is in need of a new home. She is 3 years old and around 170 lbs. She is an inside dog that is completely house trained and crate trained. She is great with kids! She gets along with other dogs however she does have issues with eating with other dogs. She will let our kids pet her, reach in the dog bowls without any issues but does act out on occasion when our other dogs come up to eat (maybe once a week type thing). Other then that issue she is such a sweet girl that loves people and attention. She is laid back and calm and would do awesome with a family who has kids of all ages but overall best situation would be family with no other pets probably. If you think she would be a good fit for your family please text me at

There is a reasonable rehoming fee for this.
