

Moving help Saturday August 15 (Rockville)

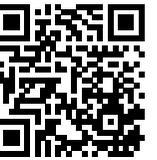

Location **Washington**

Need 3 guys from 9am-12pm on Saturday August 15 to help with moving. Must have own transportation to meet me at pickup location and drive to delivery location. You won't need to move furniture in your car but you will need to be able to lift and move furniture. Pls don't respond to this if you have medical or health issues that would prevent you from lifting and moving furniture.

Offering \$60 per person for 3 hours work.

You don't need a crew of 3 to respond. I'll pick three people from the group that responds to this post.

Thx
