Naval Officer looking for a personal assistant to help with small chores - administrative, housekeeping, yard work, etc. I am currently working extensive hours, so I don't have nearly enough free time to get day to day tasks completed. Typical duties to include:

Housekeeping  
Yard work  
Cleaning bathrooms  
Small home repair projects (no skill required)

Work is part-time and schedule is very flexible (10-15 hours per week). I own my home next to Southern Ave Metro and live with my two Pharaoh Hounds. Job pays \$10.50 per hour plus gas reimbursement for errands not at the home. Please reply with your work experience.

I will accept responses until August.
