

1hr study 150 Investment accounts 529, UTMAUGMA (age 50 (79,12 USD))

Location **Massachusetts**
<https://www.genclassifieds.com/x-629992-z>

Participants with 529 or Custodial Account wanted for a 1hr paid research session to give feedback to an area of a website.

The study will take place in downtown Boston, in the South Station area on Wednesday. The compensation is \$150 which will be mailed to participants within 30 days after the study.

Participants will work one-on-one with a researcher, looking at an area of a website and giving feedback about it. You will just give your thoughts and opinions about whether it's easy to navigate. You will be expected to "think out loud" so the facilitator will be able to follow-along with what you are thinking.

Certain qualifications apply to be considered for this study. Please fill out the questions on the following link (be sure to copy and then paste it if it's not clickable.)
