Location **Massachusetts**

Now that the weather is breaking, I am seeking a female model over 18 that I can work with on upcoming projects. The focus of the shoot will be outside beach nude so over 18 only. This is a very classy and upscale project, (not porn). I am seeking a fun and attractive model that is available during weekdays. You must be fit and toned. No prior experience is needed. Start immediately. Pay is negotiable on an hourly basis and all contact will be provided to you digitally. I am also experienced in building on line modeling portfolios and will be happy to do this for free as part of your compensation.

I am magazine published with references. Please send a face and body photo, age and advise where you are from when.
