

I need a female model for a free layered hair cut (Harvard Square)

Location **Massachusetts**
<https://www.genclassifieds.com/x-630006-z>

This is a free hair cut, that will take place onsite in a hair salon in Harvard Square Monday morning (8/10) at 10:00 am. I will be taking two inches off the length, and two inches off the layers. Please have hair down to the middle of your back. This is a free haircut, so who ever contacts me right away will have this free.
