Event teardown TONIGHT (Sunday, August 9th) (Overland Park)

I am looking for a few strong, hard working men to tear down clothing racks from an event at the Overland Park Convention Center and load then load onto a truck.

Will be at the Overland Park Convention Center (College Blvd. and Woodson Ave.) which is between Nall and Lamar Tonight starting at 9PM. You will need a Phillips head screw driver to loosen set screws. No power screwdrivers! You may also want to bring gloves as we will be working with wood and metal items.

Pay is \$15/hour cash, guaranteed 2 hour minimum.

If you are interested please let me know ASAP. Please include your phone number along with confirmation that you have the necessary tools/equipment. I will not contact you if you cannot follow these simple instructions. I will begin calling people in the next few hours from my cell phone which is a 708 area code.

Thanks,
