I've been developing a card game thats is distinctive as an RPG. Creative proximity is making me blind to advancing it.

I can demonstrate the condition of the game as is, and if you see something I can't, and think you can help polish it into marketability, we could meet weekly to hash out ideas and brainstorm at a midpoint coffee shop, hopefully downtown. Always a great idea to get fresh eyes on it. There's no money for this project unless it gets sold, then a portion of sales. Want to save details about the game from the internet for obvious reasons, but drop me a line and I'll see how well I can explain it to you. !
