

Part time overnight (Ewa Beach)

Location **Hawaii**

I have a 13 year old, almost 14 who won't stop sneaking out. I need someone who can come stay the night every other Sunday, Monday and Tuesday night. I am a nurse and work the night shift 6 days a week.

I just need someone who can be there so he doesn't ever do this again. He snuck out and ended up in a fight. It's just the two of us right now.

Let me know what you would charge and tell me a little about.
