

Repost of kittens (Belleville)

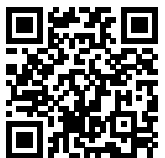

Location **Michigan**
<https://www.genclassifieds.com/x-630112-z>

I have 5 kittens who need homes. I had them posted earlier but due to a family emergency I was unable to get back to people. The kittens are 6 weeks eating hard kitten chow and using the litter box. \$10 rehoming fee per craigslist rules. I have 4 black females and 1 gray female. Pick up will be in Belleville at a public place. I can text photos upon.
