Hello:  
32 Guitarist/Songwriter looking for a new Metal/Rock band.

I'm looking to start a whole new band ORIGINAL music w No boundaries, egos, or Covers lol  
Have about an album worth of material already together and plenty more; just need the rhythm section (Drums & Bass) and vocals. This is from the ground up a new project.

A Lil bout me...  
An Assortment of guitars. ( 6, 7 ,8, string electric & 6, 12 String acoustic)  
More importantly Have the attitude, the ability ,and ambition to make it past free beer and take this to the next level.

Going for a Unique sound and have a range of influences.  
I'm looking for open minded individuals with a real passion for music  
Below is a link to a instrumental I recorded as a demo.
