Needs a home. Had a dental 1-2 yrs ago. Flame cream pt flat face. Fixed. Blue eyes. Purebred. Doesn't go in bedroom. He goes outside in yard with supervision. No declawing. Ok with another cat or a fixed dog who is cat friendly. About 10 lbs. Vocal. Pees when stressed out. He doesn't like living with my folks. I have a full house. I cant keep him. He would like a country type home. Where he can walk outside and hang out. He will go outside. Inside in the winter and requires grooming.
Cat i think is 7years.
$100. To ensure a good home.

No nasty emails please if want a cat reply. He is ok with medium
