Hello,
 We have a friendly and out-going cat which went missing from the Tapleyville area of Danvers. This Pine St. kitty is black with a small white spot on front chest and yellow eyes. He has only 3 legs. My family is concerned about him. Please call us if you see or know anything. Three young children, very sad. The cat's name is "Toby". He also answers (sometimes) to "Sparky". He is about 9 years old. Please help. Thank you so much!!
