Massachusetts

I have access to

a late model Subaru Outback Wagon Ltd, all wheel drive & very comfortable. and

a 17' 'box truck (previously a UHaul).

I regularly drive to Florida, South Carolina, New York and locations in between.

I can take you (with or without your stuff) for no more than \$2.00/mile. That includes tolls, gas, and most everything else of the vehicle and driver.

Let me know where I can take you (and I'll give you a quote), and then lets get!
