Looking for carpenter remodeler

Location **Florida** https://www.genclassifieds.com/x-630198-z

Hi, I have a part of my back wall made of wood that has rotted and needs replaces. I also have the front wall of my shed in the same need of repair. The house is being tented soon and I would like this fixed first so the little bastards don't come back in. Text me anytime if interested and.
