We are hosting our 7th yr and are in need of some people who love Halloween and want to help us scare our customers, and help a great cause , in supporting the family farm, the money from the farm haunted house goes to help teachers in getting low income kids out for farm field trips and summer camp, and for upkeep of the family farm mission. Mr. Benton who spent 72 years of his life farming this farm passed last year and he set up a 501c3 non profit agricultural mission to always have this a educational teaching/working farm.
We will be open the first week of October fri and sat nights, 7-11 pm
We would have you fill out our volunteer form and have a background check as all our staff do. You must be 18 yrs old or have a letter from your school stating you will be doing community service hours.

Its really a lot of fun, even if u can only give up 3-4 nights we are open 9 nights, We need to have a successful fundraising event so 2015/2016 can be a super year at the farm. Visit our website bentonfarm.com
Visit our page on Facebook Benton Family Farm or twitter @bentonfarms

Donations can still be made on website under the Papa tab if you can help in this way. A tax letter will be sent after you make a pay pal contribution to Mr. Benton's" Papa" Memorial. All funds go directly to his mission of continuing his farm to teach children and families.
Contact us,
Thanks
We are only three miles off I 75 exit at richwood ky.
