

Tutor needed for High Schooler (Lakeville)

Location **Minnesota** https://www.genclassifieds.com/x-630230-z

I am looking for a tutor that can assist my son with all subjects, including Spanish. This is the 2nd year of Spanish for him but I would prefer someone who is fluent in Spanish or at least 5 years of experience teaching Spanish.

Tutoring would take place in my home or the Lakeville library. Tutoring would consist of 2 days a week, Tuesday and Thursday from 7:00 pm to 8:00 pm pref. but we can work this out.

This is a perfect opportunity for a new teacher to get some additional experience tutoring. We are a great family and he is a great kid.

I am looking to interview on Friday, August 14th during the day. Please reply with availability on the 14th and include your resume. Reference checks will be required before any decisions are.
