Driver Contractor Assistant M or F (west metro)

Location Minnesota https://www.genclassifieds.com/x-630250-z

I am a Twin Cities Metro remodeling contractor that builds cedar decks and additions. This part time gig consists of driving and assisting me as a building contractor. Your future compensation will be determined by your skill set, the various tasks being performed as well as your flexibility, positive attitude & personality, equal opportunity employer.

Thank you for your interest in this part time gig that could very well develop into full time employment. http://nelsono.com/west_metro/Interview.html
