Up for \$2800 obo I have a little Nissan D21.
 151,XXX miles.

It's a five speed manual Transmission.

Great gas mileage.

Small but powerful, great work truck and very reliable.

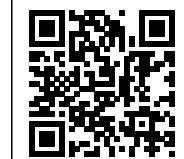

Just out of the shop with a complete tune-up and a few new parts.

Call or text me, we can meet up to see truck in person.

This truck is very clean and has a lot of life in it. I love it but simply don't need it anymore.
