ATTN: RECORD SELLER'S PLEASE READ! (Cincinnati)

Before you give away those records for .50 to dealer's claiming to be collectors, you may want this internet tool to do your research COLLECTORS FRENZY. Most of these dealer's are resellers making mega bucks sometimes thousands. I know because I made the mistake of selling a local record Junior McCants for .50 cents and the person that bought it sold it for over \$15,000. Don't take my word for it, look it up. You will thank me for this
