From the Manufacturer

The Dale Tiffany Collection is the world's foremost collection of fine Art Glass Lighting and Home Accents. Dale Tiffany employs only the highest quality hand-rolled art glass and the same high quality copper foil and hand leading technique originally developed by Louis Comfort Tiffany more than 100 years ago. Renowned for their quality workmanship and impeccable attention to detail, Dale Tiffany has recaptured the artistry and craftsmanship perfected by L.C. Tiffany in his original creations. Since every Dale Tiffany piece is individually crafted, no two are exactly alike and each becomes its own truly unique heirloom piece. Traditionally elegant, classically styled, and made to the highest quality standards, Dale Tiffany lighting and home accents are sure to enrich, enliven, and add unique character to any room.
