I bought this brand new in July of 2012 and took great care of it.  
Never left my desk and I only used it for photo editing.

Mid 2012 Model, 15 inch screen, internal dvd drive, 2.6 ghz intel i7, 16gb of ram, 512gb ssd hard drive.  
Still have the box, charger and original Apple disk.

Please leave a phone number to call you if interested .
