Large Media Tower for DVDs, Blu (, USD)

Location Louisiana https://www.genclassifieds.com/x-630319-z

This media tower holds about 530 DVDs, 630 Blu-Rays, or 837 CDs. It's wood with a black laminate finishing. Ipaid \$100 bucks for this and I am asking \$40 because there are a few areas with minor damage (as seen in pictures). It also has a bracket for the wall so it doesn't fall down. Please email or call/text
