Location

Minnesota<https://www.genclassifieds.com/x-630384-z>

We are a gigging band that has an immediate need for a lead guitarist. We consist of lead female vocals, lead guitar , bass and drums. Our song list is a mix of rock, rockabilly and blues tunes including artists such as; Jonny Lang, JD McPherson, The Beatles, Imelda May (check her out if you don't know of her..awesome old rock/rockabilly remakes), Johnny Cash, Bad Finger, Lucinda Williams, The Guess Who, Eric Clapton, Cheap Trick, etc.

We practice weekly in St Paul.

Our next performance is Aug 22 and gigs scheduled out into 2016.

We may need to find a fill in guitarist for the August gigs but we are ultimately looking for a guitarist that is interested in long term involvement with the band.

Please call me if you are interested in discussing details and auditioning. Samples would be great too.
