Aloha,

Name is Chris. I just moved to Honolulu from the Big Island. Looking for active, social, fun and down-to-earth roommate(s) -- people who want to surf, hike and explore on weekends, unwind with a beer after work, and who love to laugh.

I am a 28-year-old writer and have lived in Hawaii for 3 years. I'm originally from St. Louis, went to school in Missoula, Montana and spent a year teaching and traveling in Brazil.

Anything else you want to know about me, just ask! Hoping to find a nice, clean place in or near Kaimuki.

Looking to spend up to \$900/month for something worth that amount, something nice and clean.

Cheers!!
