ABBA Christian Childcare has been serving Glendale Heights and the surrounding area since 1992. With a Silver Circle of Quality rating from Excelerate Illinois, our center exceeds state licensing requirements.

You are welcome to attend our open house Saturday, August 15th from 10am-12pm. This is a great opportunity to tour our center and meet the staff. There will be games and activities for the children to participate in during the open house.

We believe that children learn through play and we offer them a wide variety of experiences to learn each day. We encourage independence, problem solving, and individuality. Our program serves children with a wide variety of abilities and from differing socioeconomic, ethnic, religious and cultural backgrounds. Learning about Jesus is woven throughout the day through Bible stories, songs, prayers, and getting along with one another.

Our staff strives to treat each child as a treasured child of God. All of our lead teachers have their degree in Early Childhood Education. We have a stable, experienced staff who are passionate about early childhood education.

Please visit our website for more information at [www.abba.fifcc.org](http://www.abba.fifcc.org) or call our center
