I plan on leaving Chicago in the early morning on August 10th and driving all the way toward New York City than ending up in Philadelphia. I will have a few seats in my car for whoever might want to come. My car is a 2012 Toyota Wagon with two sunroofs and a great stereo system. I can drop you off at any location along the way. This will be a fun ride, come along!

If you simply have an item you want delivered to a location along the way, I can drop it off for you, for a price.

The cost for the ride is below, and it's below:

Chicago to Cleveland - \$35

Chicago to New York City - \$90

Chicago to Philadelphia - \$100

Let me know any questions you may have!.
