Here is a very sweet young girl that is ready for her forever home. She is about 1 yrs old. She is super sweet and her fur is oh so soft. She loves to be pet specially under her chin. As you can see if the pictures she is very pretty. Her story is that she was in a fire and rescued. She was a bit on the thin side but she is gaining weight now. She loves to eat so that is not an issue. She loves cat beds and just makes herself at home. I have not seen any aggression in her. She is totally vetted and ready to go to her new home. If you would like to meet her please contact.
