

400600 Looking for House to Rent (FruitlandPayette)

Location **Idaho**

Looking for a 2 bedroom house for rent in the Payette area. We are expecting our first child, and the house we are in now just is not okay for a baby. We have two dogs and two cats, both dogs are house trained and very well behaved. We are really needing to find a place soon, I'm due in December and really don't want to have to move during the winter. So we really are looking for a little.
