I have great seats for sale in Home Field Box Section 150 for the Cardinals Pirates game on Wednesday night 8/12/15. I have row 26 seats 3-4 if you need two or seats 17-20 if you need four. The seats are directly behind home plate under an overhang and you will be seeing a great pitching matchup with Gerrit Cole taking on Michael Wacha.

Price is \$65 per ticket which is well below face value of \$143 and even below season ticket holder cost for these seats. The price is not negotiable and I will update this listing immediately as the tickets sell.

I have the actual hard tickets in hand if you wish to purchase in person and can meet for cash/ticket exchange at my office at 500 Maryville University Dr. 63141 weekdays 7:00 AM - 3:00 PM or in Chesterfield in the evening. I can also accept PayPal and transfer the tickets electronically through the Cardinals website (buyer pays PayPal transaction).
