Hi, do you need help with transporation due to unforeseen circumstances and cannot afford the high costs of a cabfares? I can help!!! I used to be in your position and the rideshare section helped me a great deal. I want to give back on what was helpful to me. Don't risk getting caught for OUI/DWI/DUI(it will cost you more in the long run) I am cheaper than any Cab company would charge you. I can take you shopping, go to the doctors/dentists even to airport and more. I also worked in the heath field and will help anyone whom is disabled. Also I can help you get to/from work. Furthermore, I am very reasonable and accomodating for all. I am flexible with time.

I am based in Sanford/Springvale area covering mainly York County towns daily, as well as Southern and Central Maine and parts of Northern New Hampshire.

ALL trips will be \$1.00 per mile with minimum charge of \$10.00 if destination is less than 5miles. On trip that are outside of state of Maine area or having travel mileage of 100 miles or more will be NEGOTIATED and based off fair rate given from taxifare.com for reference to what the charged would be if you were to call a Taxi cab and or local transportation company available (U-BER).

All tolls will be covered by Driver

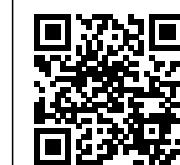

also can schedule trips to

TO and FROM BOSTON LOGAN AIRPORT/ BOSTON SOUTH STREET AMTRAK STATION is a FLAT

RATE of \$125.00 non-negotiable

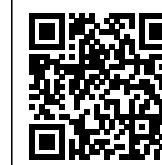

Text me for return cabfares if possible
