My 3/4 Red Nose Pitbull, mixed with Boxer (Female) And My 3/4 pit with rottweiler (Male) Just had puppies! There only 8 days old so can't tell the gender. But you can come next week and pick one out if you don't mind the Gender of the puppy, She's had one other litter of Puppies. She's a great mother. Puppies be born with other Dogs and Cats in the home. We would rather have you come see the puppy a couple of times (If possible) before we decide if the baby has found it's forever home. I will want updates/pictures of how it's doing. And if you ever decided that you needed to get rid of the dog tell me first please! There is A re homing fee of 175\$-200\$ for the males and 200-250 for the Females, To A good home only! There will be a couple of Questions. -Corinth Maine- (please Text only!)
(The white dog is the puppy of there first litter) The all Brindle one is the
