

# Workers on the minimum wage (York County)

Location

Maine

<https://www.genclassifieds.com/x-630674-z>

I'm creating a series for a regional newspaper short profiles of workers who live on the minimum wage. I'm looking for participants who would be willing to share their experience of their job and family, if you have any, as well as be photographed. Send me an email through the craigslist form if you are interested or have questions (I'm Nate by the way), and we can.
