Jimmy Jones Brennan (aka Jimmy the Cat) is missing from our home on Depot Road in Belgrade, Maine since August 8th. Jimmy is an indoor cat and is declawed on his front paws and he is a beloved member of our family. We think he may have pushed through a screen and fallen out a window. Please share this PLEASE. Especially if you live in or know anyone who lives in the Belgrade area. Message me Jennifer Spearin Brennan on Facebook with any info or call or email through this post. We love our baby and miss him so much and we are so very.
