Hello. My name is Demi, 28, and I would love to give you a massage you will always remember - because it will be so relaxing that you will leave your stresses and worries behind for the time we are together, allowing you to refresh and renew your mind, body and spirit.

I am trained and certified in various ultra-relaxing techniques from around the world that I combine to create a wholly unique session just for you.

I offer incall at my quite, private location a few minutes west of the Strip and outcall where I can come to your hotel or home.

I am available 24 hours a day with reasonable notice. But I do book up quickly.

Pleas let me help you relax and leave your worries behind. You will be glad you did.

Call or text me at 702-908
