

Flooring professional needed (Overland)

Location

Missouri

<https://www.genclassifieds.com/x-630782-z>

The lobby of a four-family apartment building needs new flooring installed.
There is one landing in the center between two pairs of scissors-stairs.
Front set of stairs is bare wood and will be painted tan matching the trim and doors.
Rear set of stairs is linoleum, as is the central landing.
Work will need to be done around the first week of September.
Precise measurements are detailed on a 3-page document of.
